INTRODUCTION

JS Contracting a Project Support Service Company established in the year 2008 to develop and carry out a variety of technical and commercial activities in the kingdom of Saudi Arabia. JS is rapidly expanding its operations with its expert and highly qualified team understands the customer requirements and assisting them in fulfilling without any hindrance.

JS is expert in providing skilled & semi-skilled Human Resources & Rental Equipment, Industrial Services and Material Supply to various Industries in Constructions, Oil & Gas, Petrochemicals for new and existing projects and also to maintenance work.

JS is offering the ancillary support to mega projects like Saudi Kayan, Jubail II Satorp, Sadara serving the major client contractors of SABIC, ARAMCO, NAMA, SCECO and other Industry leaders in Jubail, and all over Saudi Arabia.

JS is committed to the principal of providing consistently quality products and services, to establish a strong relationship with our clients and to enhance the reputation of the Company. Our continuous pursuit for recognition and devoted customer service during the past 10 years we have secured the confidence and appreciation of our clients. We have highly qualified and technically skilled staff such as civil, Electrical and Mechanical Engineers, Technician, semi-skilled workers. In case of any other specialized requirement apart from the category mentioned above, JS with the help of readily available Professional consultants in the respective field could explore viable solution to meet such requirements for the ultimate satisfaction of our valued customers.

We have the privilege of having highly satisfied clients including some of the largest MNC's at the same time we serve numerous organizations in the small and medium Enterprises (SME) sectors also. While we are present in contracting Construction & trading segments, we have strong presence in Human Resources, Equipment Rental & Material Supply.

We take this opportunity to offer our services and look forward to your valued enquiries. Your satisfaction and trust on us will be the spring board of our continued success.
